

The background is a solid purple color. In the top-left and top-right corners, there are clusters of hexagons in various colors: cyan, dark blue, white, red, and black. In the bottom-left corner, there is a smaller cluster of three hexagons: white, cyan, and dark blue.

# Dispositivos Android

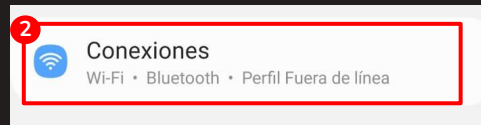

The slide features decorative hexagonal patterns in the corners. The top-left and bottom-left corners have clusters of hexagons in shades of pink, blue, purple, and black. The top-right and bottom-right corners have clusters of hexagons in shades of cyan, purple, blue, and black. The central text is in a pink, sans-serif font.

# Configuración de Roaming

Paso 1 - Entrar a la opción de CONFIGURACION.

Paso 2 - Selecciona la opción de CONEXIONES.

Paso 3 - Activa la opción de ROAMING DE DATOS.

# Configuración de Roaming

The image shows two screenshots from a mobile device. The left screenshot displays three radio button options for roaming: 'Desactivar', 'Sólo roaming nacional', and 'Todas las redes'. The 'Todas las redes' option is selected and highlighted with a red box and a red asterisk icon. A red line connects this box to the 'Aceptar' button in the right screenshot. The right screenshot is a warning dialog titled 'Atención' with the text: 'Si selecciona roaming de datos pueden generarse costos adicionales. Consulte su tarifa.' It contains two buttons: 'Cancelar' and 'Aceptar', with the 'Aceptar' button also highlighted by a red box.

Desactivar

Sólo roaming nacional

Todas las redes

**Atención**

Si selecciona roaming de datos pueden generarse costos adicionales. Consulte su tarifa.
